Robber Asks Mercy; Companion Delays Trial

Walter J. Harbey, 27, one of two Redwood City residents charged with assaulting and robbing a middle aged couple Oct. 19, pleaded guilty to second degree robbery charges in superior court Wednesday. He asked probation and the case was continued two weeks by Judge Maxwell McNutt. Harbey previously entered a not guilty plea.

His companion, John S. Korba, 25, asked for a continuance of his trial, scheduled for today. It was continued until Monday.

A SAFE WAY TO DRY HAIR

Use an ELECTRIC HEATER
for quick-dry heat

When there is just no other way to dry damp hair or to warm clothing—plug in an electric heater. The clean dry sunny warmth from electric heaters is ideal for these healthful winter services.

Portable electric heaters are in use in thousands of California homes for quick, handy heat. Indispensable, dependable, clean, economical are the words of praise owners say about these low-cost electric appliances. Buy your electric heater today.

Clip These Instructions Of What To Do in Air Raid

It is suggested readers clip this article and have it ready to consult instantly.

The signal for an air raid in Redwood City will be five-second blasts of the fire whistle for two minutes. The blasts will be spaced at three-second intervals.

When this alarm is heard, citizens should:

1. Extinguish all lights, including illuminated house numbers, which should be permanently disconnected for the period of the emergency. If impossible to extinguish all house lights, equip emergency lights with low wattage globes and pull down all window shades.

2. Stay out of streets if possible but find shelter away from flying glass or falling chimneys. A garage or a basement in your own home or your neighbor's is suggested. All citizens should learn where the nearest basement is located.

3. Motorists should pull to the curb, extinguish lights on their machines, abandon their cars and seek shelter. If shelter is not available, crouch under trees or bushes or lie on the ground.

The all-clear signal will be a two-minute steady blast of the fire whistle.

★ ★ ★

Things to be done immediately:

1. Householders should equip themselves with bags of dry sand. Place them at convenient locations in the house for use in fighting fire. Leave garden hoses connected to faucets. Fill all available receptacles with water, including bathtub.

2. Have flashlight available, several if possible throughout the house.

3. Take precautions against possible fires, particularly on roofs and in attics. Try to relieve the fire department as much as possible.

4. Learn location of the nearest fire alarm box.

★ ★ ★

In case of a gas attack:

1. Seek a high place, either by driving to the hills west of town or by getting on a rooftop, for gas tends to settle rapidly.

2. If impossible to leave the house, go to the most inside room of your home—the one with the fewest doors and windows. Paste paper over windows, stuff rags in cracks of doors and windows.

3. Avoid pockets or gulleys in hills, for gas will linger in such depressions.

4. After the gas has apparently cleared away, wash walls, for gas clings to them. Wash clothing that might have been contacted.

★ ★ ★

In general:

1. Above all, keep cool. Don't lose your head.

2. Do not crowd the streets; avoid chaos, prevent disorder and havoc.

3. If planes come over, do not run or scream.

4. Until an alarm, go about your usual business and recreation.

5. Think twice before you do anything.

6. Don't believe rumors, and don't spread rumors. Spreading false rumors is part of the enemy's technique.

7. Co-operate at all times with firemen and policemen. What they do is for your good.

8. Attack incendiary bombs with sand, a spray from the garden hose, or a spray from the kind of extinguisher you turn upside down. Don't splash water on a bomb or turn a stream of water on it. That will cause it to explode. Spray it and it will go out in two minutes.

9. Never leave your home or office, day or night, without first turning out all lights.

10. Always carry ample identification on your person.

Here Are Emergency Telephones

Following is a list of Redwood City telephone numbers for the various emergency services organized (clip for reference):

INFORMATION—
County Executive: 2180, 232 (night) (24 hours)
Fire Chief: 875-J (24 hours)
City Hall: 1500
Tribune: 2000
San Mateo County Civilian Defense Council: San Mateo 6160

POLICE—
Redwood City Police: 800, 801 (24 hours)
Sheriff's Office: 2180, 2190 (night) (24 hours)
Highway Patrol: 1660-1661 (24 hours)

FIRE—(Fire alarms only)
Redwood City Fire Department: 130 (24 hours)
County Fire Warden: 651 (24 hours)

MEDICAL SERVICES—(War emergency only)
Headquarters: 426, 2587, 2180.

Health Office Headquarters

Dr. Charles C. Gans, emergency medical service director for the county defense committee, has announced that the county health department office at the courthouse will serve, in the event of emergency, as a headquarters for Red Cross, medical society, hospital, and ambulance services.

Telephone numbers there are Redwood City 2180, 426, and 2587.

The office will be manned on a 24-hour basis and will be in direct contact with first-aid substations located as follows:

Daly City — 7375 Mission St., telephone RAndolph 1170.

Burlingame — 248 Lorton Ave., telephone Burlingame 7470.

Half Moon Bay—Dr. R. D. Borley, telephone Half Moon Bay 2581.

Pescadero — Ranger station, telephone Pescadero 19.

The courthouse office, Dr. Gans said, will serve Redwood City and the south county area. Additional stations will be manned as required after enemy action starts, he said.

TUCHSEN GIVEN ESTATE

In a 13-word will filed in superior court here, Mrs. Katie A. Tuchsen, wife of Hans C. Tuchsen, estate appraiser and well-known Redwood City resident, left her entire estate to him. The value of the estate was declared to be in excess of $10,000.

Woodsiders' Plans Told

WOODSIDE—At a meeting of the Woodside Fire Commission it was decided to put the following emergency program into immediate operation:

1. All residents of the Woodside Fire District willing to volunteer their services or their motor equipment including automobiles, tractors, etc., are requested to register this information at once at the Woodside Fire Department between 8 a.m. and 8 p.m.

2. For the duration of the emergency, time signals by siren are discontinued. Fire signals by siren are unchanged: two blasts indicate fire in the Woodside-Upper Emerald Lake area; three blasts, Portola area; seven blasts, general alarm fire call.

3. One long blast indicates air raid alarm.

4. All clear signals will be one long and one short blast repeated twice.

5. Every citizen is definitely requested to show no light during an air raid alarm until the all-clear signal is sounded.

Maj. Loring Pickering, U.S. Air Corps, retired, has been appointed co-ordinator of defense activities here.

The first extended over water flight was in 1910 when Glenn L. Martin piloted his seaplane from the California mainland to Catalina Island and return.

CHARLES PLATE IN ARMY

Charles Plate, 21, son of Mrs. Clara Miners, 536 Spruce St., Redwood City, has been called to the army, it was learned today. The youth, who lived with an uncle in Sharp Park, was an employe of Swift & Co. in South San Francisco.

The cost of living in the entire country was 7.5% higher in October, 1941, than in October, 1940.

Many More Gifts Are Needed For Toystack

Despite the fact dozens of toys were secured Saturday in the Boy Scouts' roundup of gifts for the Community Toystack, and more are expected at the Redwood Theater's Toystack Matinee Dec. 17, many more are needed, according to Mrs. Theo Friend, co-ordinator of toystack activities for the Tribune.

Toys already usable or needing only minor repairs are most desirable.

In addition, names of persons who should receive gifts from the toystack should be turned in to Toystack Headquarters, 2101 Broadway, not later than next Monday, or telephone to the Tribune. Names and ages of children and addresses should be given.

If possible, people desiring toys should bring a cardboard carton to the headquarters with the name and address of the family marked on it. A scarcity of boxes this year makes this plan virtually necessary.

Order of Owls Sets Installation Jan. 3

Officers of Redwood City Nest, Order of Owls, for the next six months will be installed on Jan. 3 at Foresters Hall. They are Steve Fratti, president; John Bragoni, vice president; Steve Angelini, past president; Antonio Rizzardo, invocator; Dominic De Giovanni, custodian; A. Branchini, inside sentinel; Ben Patritti, outside sentinel; Peter Garino, corresponding secretary; Louis B. Dematteis, financial secretary; Joseph Delucchi, treasurer; Henry Ferrando, Fred Paletti and Attilio Belloni, trustees.

The organization will hold a Christmas party at 7:30 p.m. Sunday, Dec. 21.

83 YEARS OF SERVICE TO HOMES AND INDUSTRY

Johns-Manville Journal

JOHNS MANVILLE JM PRODUCTS

Accidents Can Delay Defense

J-M Urges Every Worker To Be Careful On The Job

In any national defense or war figgerin', little things stack up into big things if they're multiplied by all the people in the United States.

Take accidents, for example. It may not seem so serious if a man is laid up for a week or a month with a factory accident, but—

The fact is that 1,500,000,000 man-hours were lost through work accidents in this country in 1940—enough man-hours to build 45 battleships or 375 destroyers or 450 submarines or 195,000 light tanks or 75,000 fighter planes or 30,000 medium bombers.

This year's accidents in general have been on the increase. Busier factories, new men on jobs, old hands on new jobs, machinery and tools in use 24 hours a day. Too bad.

J-M is trying to cut accidents down as a further help to defense effort and

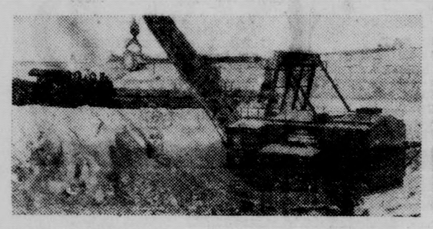
to relieve hardships and suffering of workers and their families.

J-M has a pretty good record. For the first nine months of this year in all J-M plants there were 10 lost-time accidents per 500 workers, as against 15 per 500 workers in all U. S. industry.

J-M is conducting an active safety campaign. Thousands of dollars have been spent for safety devices, and campaigns are held in all plants to urge J-M workers to be careful.

By being careful, they help themselves and they help Uncle Sam.

J-M FAMILY ALBUM



SOME SHOVEL—The power shovel shown above is used at the largest asbestos mine in the world, owned and operated by Johns-Manville at Asbestos, Quebec. The shovel weighs more than 1,000,000 pounds. Two one and one-half story houses could fit in its cab. You can get an idea of the tremendous size of this shovel if you compare it to the locomotive on the level 50 feet above it.

Franklin Owned Asbestos Purse

Benjamin Franklin once owned a purse that was made of asbestos.

It was such a curio that a British collector paid Franklin a large sum of money for it.

The purse is now in the British Museum.

Today asbestos is used in hundreds of J-M articles for the home and industry.

Defense Job Progresses Despite Mud

Work is progressing rapidly on the Kansas Ordnance Plant, near Parsons, Kansas, despite acres of mud that threatened to slow up the project, it was reported this week.

Many sections of the site were transformed into lakes and marshes as a result of heavy Fall rains, but men and equipment were kept on the job so that no time would be lost on this national defense project.

Schedules have been maintained ever since ground was broken a few days after Johns-Manville signed a contract with the War Department to manage the construction and operation of the plant.

When completed, the plant will cover 25 square miles, comprise about 400 buildings, 75 miles of track, 100 miles of road and employ about 8,000 persons. It will be owned by the government and will cost Uncle Sam about $27,000,000. The plant will be equipped to load shells of all sizes from 75 millimeters to 16 inches—and bombs of all sizes.

7 Nominated, By-Laws Changed, Meeting Set

By-laws of the Redwood City Chamber of Commerce were amended to provide for election of directors prior to the annual meeting, when the chamber met Monday preceding a directors' session in which:

1. The following were nominated as directors by a committee headed by Past Pres. Sam H. Winklebleck; Carl E. Ward, manager, American Trust Co.; Charles A. Nelson, manager, J. C. Penney Co.; Kenneth L. Bowen, editor, Tribune; L. F. Winkenwerder, salesmanager, Quaker Oats Co., San Francisco; Carlos Bowman, executive, California Pacific Title and Trust Co.; Ferris W. Miles, owner, West Bay Motors Inc., and A. G. Lang, superintendent, Pacific Portland Cement Co.

2. The directors voted unanimously to offer full co-operation and use of chamber facilities to the Redwood City Defense Council.

3. Date of the annual meeting and Community Dinner was set for Jan. 14 and it was announced that Maj. Gen. Paul B. Malone, widely-known retired U. S. Army officer, would be the principal speaker.

4. Pres. Norman S. Menifee was authorized to appoint committees to arrange the Community Dinner.

5. The establishment of a cannery and fish reduction plant at Pillar Point, near Half Moon Bay, won approval, with a recommendation ordered made to the planning commission that a permit for the factory be granted.

Seven directors were nominated, six to replace directors whose terms expire, one to succeed L. E. Wolbert, whose resignation because he has moved to San Rafael is expected.

Paid-up members of the chamber will receive ballots in the mail. They can make additional nominations if they desire, cast their ballots, and return them to the chamber of commerce office in the city hall by mail or in person, or bring them to the Community Dinner in Sequoia High School Cafeteria.

It was pointed out that the chamber by-laws provide that organizations paying $50 or more dues annually are entitled to cast one ballot for each $25 membership so represented provided individuals in the firm are designated as members. Individual members who pay $12 or businesses which pay $20 or less than $50 annually are entitled to one ballot each.

Holdover directors of the chamber this coming year will be H. C. Mitchell and Teddy Lauman. Director Bowen is the only incumbent director who was renominated by the committee.

Although the directors met at 7:30 p.m. for a general membership meeting, no other members appeared to vote on the by-laws, so they were passed by the unanimous vote of those attending. These included Directors Menifee, Bowen, Mitchell, Lauman, Frank A. De Patta, Bruce M. Knox and Ole S. Oleson. Mrs. A. J. Weiss and Wolbert are the other two directors.

R.C. Chest Now Less Than $300 From Its Goal

Has anyone got $291.92 he'd like to put to good use?

That is all that is needed to send Redwood City Community Chest's 1941 campaign over the top.

Campaign Manager Donald L. Bogie revealed after a compilation that the total amount of pledges received this year to date was $10,208.08 — just less than $300 short of the $10,500 goal. He disclosed that one generous Atherton resident had just turned in a contribution of $100 cash.

Since there are still some prospect cards out — cards with names of individuals who last year gave about $400 altogether but this year have neither made pledges nor refused to do so—Bogie held out hope that the goal might still be reached. He urged solicitors to make the remainder of their contacts at once.

But in the meantime, if you want to end the drive quick like—just send your check for $291.92 to Community Chest, Redwood City.

40 Sequoia Grid Players Given Dinner

Surprise presentation of trophy-like miniature figures of football players to Coaches Al Terremere and Clyde Devine of Sequoia High School featured the annual dinner given the Sequoia High School Varsity Squad Tuesday by the Exchange Club.

The presentation was made by Bob Furger, captain of this year's team.

Forty members of the squad were presented as guests of the Exchangites for the turkey dinner, served at Cafe de Paris.

Terremere introduced the players and spoke briefly. Devine and Leonard Casanova, assistant coach at Santa Clara University, also spoke briefly, and a motion picture of one of last year's games was shown.

Date of the Exchange Club's annual installation party, a Ladies Night affair, was set as Saturday, Jan. 17. It is planned to hold the affair at Crystal Springs Golf Club.

Red Cross Doubles Preparation Efforts

MENLO PARK—With its quotas and work greatly increased by the sudden change in world events last Sunday, the American Red Cross is doubling its efforts to be prepared for any eventuality in the United States.

Garbo Hit at Sequoia

Garbo's got the laugh on Melvyn Douglas again! The happy Couple of "Ninotchka" are reunited in M-G-M's new comedy, "Two-Faced Woman," opening Sunday on the Sequoia screen, with Garbo playing the dual role of a dowdy wife who invents a sophisticated twin sister in order to win back her husband's waning affections. And wait until you see the "sophisticated Garbo" do the rhumba! Constance Bennett, Roland Young, Robert Sterling and Ruth Gordon are in the cast.

Power Given To Close Schools and Buildings

Anyone failing to co-operate when a blackout signal is given in Redwood City will be subject to a $500 fine or 90 days' imprisonment, or both, under terms of an emergency ordinance introduced at a special session of the council Tuesday. The ordinance will go into effect upon final passage at the council's regular meeting Monday night.

The ordinance also gives the council power to close all schools and public buildings if deemed necessary as a defense measure.

Enforcement of the ordinance will be in the hands of the police and fire departments, council or any other organization formed for defense under direction of the city council, according to terms of the ordinance.

Violators would be persons who refuse to turn out lights in their homes, offices, stores, or automobiles, or fail to extinguish outdoor lights or illuminated signs when the blackout signal is given.

At present, the blackout signal consists of sharp blasts of the fire whistle and sounds of police and fire sirens. Within 10 days, a newly-ordered large siren is expected to be installed to sound the air raid alarms.

The council passed the ordinance unanimously upon motion of Councilman Evans A. Fletcher, second of Councilman George W. McNulty. All councilmen were present except Maj. H. W. Edmonds, who is on leave of absence. Others are Mayor H. F. Anderson, Councilmen Floyd D. Granger, William M. Werder, Louis C. Christensen.

City Library To Be Closed All Next Week

Redwood City's Public Library will be closed all next week, Dec. 15 to 20, in order for the staff to take an inventory of books, Miss Wilhelmina Harper, librarian, announced here. She explained that such a procedure every few years was deemed necessary.

Subdivisions Approved

Recommendation to the city council that two applications to subdivide property be granted, recommendation that permission be given to widen a service station driveway on El Camino Real and discussion of a petition to change the name of a Redwood City street were the main items of business of the Redwood City Planning Commission at its meeting Monday night.

Application by Robert Southward, owner, to subdivide a portion of lots 4 and 5 in block 2 of the New High School Acres (fronting on James Ave. and Inner Circle) into two parcels was approved and it was recommended to the city council that permission be granted.

Application by J. E. Thompson, owner, to resubdivide lots 2, 3, 4, 5 and 6 in block 1 of Central Park (Jefferson Ave. at Grand St.) into three parcels was approved and the commission recommended to the city council that permission be granted.

Recommendation to the council was made that the request of G. Puga, service station owner, that he be allowed a driveway on El Camino Real 30 feet in width instead of 24 feet, be granted. This recommendation was made after the commission was told that the city council already had granted a permit to an adjacent property owner for use of 100 per cent of his frontage as a driveway.

A petition signed by 11 property owners on D St. that the name be changed to Magnolia Ave. was discussed and it was decided to recommend that in case of changing the name of D St., the names of A, B and C Sts. in the same subdivision be changed simultaneously.

Action was deferred until the next regular meeting Jan. 12, and it was suggested that thought be given to the selection of names.

Hearing on the rezoning of lots 11 and 12 in block 52 of Eastern addition was continued until the next regular meeting.

In the absence of Chairman Henry Witte, John E. Layng was chairman pro tem.

INJURED IN ACCIDENT

Albert H. Bosworth, 53, San Juan Bautista, was injured at 5:30 p.m. Tuesday when his car and one driven by Raymond O. Howe, 40, 216 O'Connor St., North Palo Alto, collided at the Willow Rd. intersection on Bayshore Hwy. Bosworth was taken to Palo Alto Hospital.

S.M. County's Oldest Voter Passes Away

Mrs. Charlotte Augusta Beer—"Mother" Beer to many of her friends—died at her home at 131 Monroe St. on Wednesday forenoon following a period of failing health. She was 96 years of age.

Mrs. Beer, who had lived at the Monroe St. address ever since coming to Redwood City 65 years ago, was believed to be the oldest registered voter in San Mateo County. She had been active up until a few weeks ago, and had voted at the last election.

A native of England, Mrs. Beer came to the United States in 1865 as a young woman of 20. She married there, and came with her husband, Alfred J. Beer, to Redwood City 11 years later. He died here in 1909.

It was while she was living in Chicago that the great fire occurred—in 1871. And it was on an occasion while she was visiting in San Francisco in 1906 that the earthquake and fire there occurred.

Mrs. Beer was the mother of Mrs. Florence Sohn, Mrs. Bertha Hillebrand, Mrs. Charlotte Johnson, Mrs. Isabelle Lowe, Edwin, Webster, Leland and George Beer and the late Harry, Alfred and Herbert Beer. She also leaves 15 great grandchildren and the following grandchildren: Mrs. Dorothy Lowe Bertellotti; Alfred, Donald, Gerald, Irby, Richard and Jack Lowe; Mrs. Lois Simmons, James and Milton Johnson; Mrs. Norma Lalande; Mrs. Myrtle Immel and Mrs. Pearl DeForrest.

The funeral will be conducted Friday at 2 p.m. at the Franklin & Crowe Mortuary, with the Rev. Schuyler Pratt officiating. A long-time friend, Otis M. Carrington, will sing. Burial will be private.

COW PALACE WINS SHOW

Nion Tucker, president of No. 1-A Agricultural District, announced here that the 1942 National Hereford Show has been awarded to the Cow Palace.

Elmer Rowland Dies While Hearing War News

First war casualty on the Peninsula was Elmer Rowland, 52, of 309 Lowell St., Redwood City, an electrician, who suffered a heart attack late Sunday while driving his automobile in Burlingame.

His wife, who was with him, told Coroner William F. Crosby they were listening to radio war bulletins and Mr. Rowland became more and more agitated. Suddenly, at Burlingame and Occidental Aves., he collapsed. The car ran over the curb and onto a lawn before Mrs. Rowland could stop it.

Mr. Rowland was the father of Mrs. Margaret Franson of Burlingame.

More Groups Represented

Redwood City's traffic study committee will have 17 members instead of 15 if a suggestion made at its first session Monday night is accepted by the city council.

Directors of the chamber of commerce, Police Sergt. W. H. Thorpe and Dep. City Engineer R. J. Clark, nucleus of the committee, voted to ask the Commuters Club, Junior Chamber of Commerce and Redwood City Woman's Club each to appoint a member of the committee, and if the suggestion to increase size of the group is approved, one representative will be asked from the schools and one from the Redwood City Business and Professional Woman's Club.

In addition, it was decided that possibly advisory members of the committee would be named.

Pending the holding of the next meeting, Chamber of Commerce Pres. Norman S. Menifee was named temporary chairman and Secty. Roscoe D. Wyatt of the chamber was named acting secretary.

Because of the council's desire the chamber directors on the committee be those currently in office, complete personnel of the committee cannot be definitely completed until the chamber election is held during the coming month. Results of the election will be announced at the Jan. 14 Community Dinner.

As a representative of the Commuters Club, Paul A. McCarthy, former Redwood City mayor, will serve on the committee. Policeman Thorpe, Engineer Clark and Planning Commission Chairman Henry Witte are other definitely-known members. Nine chamber of commerce directors will serve.

Atkinson Estate Valued at $52,485

Mrs. Alma M. Atkinson, Redwood City, who died in Palo Alto Sept. 27, left an estate valued at $52,485.82, according to an appraisal on file in superior court today. Largest item was a $40,000 apartment house in Redwood Highlands. Mrs. Atkinson left her property in equal shares to three children: Christopher B. Atkinson of Martinez, Mrs. Sylvia A. McPheeters, 141 Whipple Rd., Redwood City, and to Winifred Atkinson, same address.

MENLO PARK NEWS

BY D. E. O'KEEFE

MENLO PARK — George Maguire, late of New York, has purchased a home in Stanford Park. His family will arrive here next week. He has retired from business and hopes to spend his remaining years in sunny Menlo Park.

★ ★ ★

Mrs. Madge Larkin, who passed away at her home in Stanford Park last Saturday, was the widow of Joseph Larkin, who opened the first barbershop at Stanford, when it opened in 1892. Mrs. Larkin was well-known in Menlo Park.

★ ★ ★

On Dec. 16 the annual Christmas Novena of the Dominican Nuns of Corpus Christi Monastery will begin. The public is invited.

★ ★ ★

When the widening of the highway through town begins early in January the Doyle building will be torn down and rebuilt further back on the lot. It was the first brick building erected in Menlo Park. The original structure was erected in 1874 by the firm of Duff & Doyle.

R. C. Youth Jailed For Grid Game Brawl

A Redwood City youth has begun a 10-day term in Palo Alto jail for his part in the brawl that broke out after the Palo Alto-Sequoia High School football game in Palo Alto Thanksgiving Day. Two other youths were put on probation for two years.

Police Judge John E. Springer yesterday sent Roger Hirschmiller, 430 Fourth, Redwood City, to jail. Evidence showed that he was the assailant in the brawl that ended with Morris Gustine of Palo Alto High School suffering a broken nose.

George Tracy, 1272 El Camino Real, Menlo Park, and Willis Glidden, Burlingame, were put on probation and warned to stay away from all high school athletic events for two years.

Peninsulans' Father Dies at San Jose

Funeral services were held at Franklin & Crowe on Tuesday afternoon for Hugh Neil, 83, of Mountain View, father of Mrs. R. E. Farrell of Redwood City and Floyd Neil of San Carlos. He died Sunday in a San Jose hospital following a two-month illness. Mr. Neil, a widower, was the father also of Max Neil of Napa, Mrs. Harold Porter and Mrs. Dorothy Kenny of Santa Cruz, Mrs. Bernice Jones of Hollister and Mrs. Byrl Nelson of Crows Landing.

Ninety-nine per cent of the earth's atmosphere is made up of gases: argon, carbon dioxide, nitrogen and oxygen.

Twenty-five threaters in London were open in October this year, compared with three during the same months last year.

Firm To Rush Plans For Move Here

Unaffected by outbreak of war in the Pacific, plans for removal of the National Motor Bearing Co.'s plant from Oakland to Redwood City will, if anything, be pushed even faster than had been anticipated, Lloyd A. Johnson, president of the firm, said Monday.

"My only regret is that we didn't do this three months ago," he said.

Architect W. H. Ellison of San Francisco will rush to completion the plans for the $180,000 plant to be erected at the Bayshore Hwy.-Chestnut St. site made available to the 22-year-old firm now engaged principally in filling defense orders.

President Johnson said that the company had a large backlog of defense orders — "enough to keep it operating nine months if it didn't get another order."

He said that he hoped to have plans for the new structure in the hands of contractors for bidding in a little over a week.

"Ellison will be working 16 hours a day on plans for the building until he gets them completed, which should be within 10 days," he said. "This thing can't go too fast to suit me."

Meanwhile civic leaders and, in fact, everyone in Redwood City appeared jubilant at the news that the plant, with its 456 employes, would move to Redwood City as soon as the new factory building is completed in the Spring. Not a sign of displeasure at the city's giving up the recreation center was heard by the Tribune.

Final arrangements for the removal were completed about 12:30 p.m. Saturday following 10 days of intensive negotiations between Johnson; his attorneys, and city and county officials and civic leaders.

The National Motor Bearing Co. is a manufacturer of oil seals and laminated shims used on motor vehicles, planes, tractors, tanks, gun mounts and other mechanical devices. It does business in normal times throughout the world, and has sales agencies in four American cities and warehouses in nine. The principal owner of the corporation, Johnson, lives at Woodside with Mrs. Johnson. They have two children.

In the West Indies, fish eyes are a native delicacy.

W. H. Girvin's Father Dies in Alameda

Following an eight-month illness, Ernest A. Girvin of Berkeley, father of W. H. Girvin of Redwood City, superior court reporter, passed away Monday in Alameda.

Mr. Girvin, who was born in Brantford, Ont., June 20, 1857, lived in the Bay Region most of the time since 1876. He worked on San Francisco newspapers, co-authored a textbook, "Pure English," and wrote two other books, "Domestic Duels" and "A Prince in Israel." He later became a court reporter, practiced law, and founded the Church of the Nazarene in Berkeley about 1896, becoming a minister in that faith.

His wife, Mary, died in December, 1937.

Seven children survive. They include Reporter Girvin, P. W. Girvin of San Francisco, Paul S. Girvin of East Palo Alto; Earl R. Girvin, Yountville; Claude R. and Harold Girvin, Oakland; Mrs. Allen Keim, San Juan Capistrano. Among 11 grandchildren is Mrs. E. P. Kelty of Lowell St., Redwood City.

Hoefler, Lauman Again Head Realty Board

Harry Hoefler of Menlo Park, Redwood City realty man, will head the Redwood City-San Carlos District Realty Board for the third year and Teddy Lauman will be its secretary for the sixth year as the result of an election held Tuesday. Vincent Guida was elected vice president at the session, at which a resolution was passed pledging all aid possible to local defense and safety efforts.

Normally, Italy is one of the principal wheat growing nations, the third largest producer in Europe, with a crop about one-third that of the United States.

Local Chamber Head Urges Seal Sale Aid

As the San Mateo County Tuberculosis and Health Association prepared today to extend the Christmas Seal Sale to the business houses of the county, a plea to support the drive was issued by Norman S. Menifee, president of the Redwood City Chamber of Commerce.

"I am sure that merchants and other business men of Redwood City will be glad to have an active part helping to stamp out tuberculosis in this community. We recognize the social need for this work and also its economic value in preventing loss of dollars and working hours," Menifee declared.

Like American Red Cross, the tuberculosis association does not receive money from the Redwood City Community Chest.

In one small suburban yard a scientist found 1402 varieties of insects.

Highlands Improvement Group Changes Name

It was voted at a meeting at the home of Pres. Gustave Chevassus this week to change the name of the Highlands District Improvement Club to Highlands District Improvement Association. The members thought this better suited the character of the group.

Chairman Stanley Perkins of the membership committee presented a comprehensive outline of a proposed campaign to bring the membership roster up to date and bring in new residents.

Chairman A. J. Bullerdieck of the roads and highways committee was authorized to make a survey of the road names in the district for the purpose of simplifying the system.

Disaster defense officials are to be contacted to determine how the association can best co-operate in the defense program.

Yosuke Matsuoka, Japanese statesman, is a graduate of the Oregon Law School.

Record Crowd Attends Merchants Christmas Party

The largest number of children in the city's history probably suffered from a lack of appetite at meal time Sunday.

Reason was that more children than ever before were given candy by Santa Claus Saturday night when he arrived, as is his custom, to open the Christmas season in Redwood City.

When, waving his hands and "helloing" to children, he arrived in front of the courthouse on a "throne" that had been constructed for him on a decorated red truck, the largest crowd of kiddies—and grownups too—ever to greet him roared a welcome to the jolly St. Nick.

Preceded by the Redwood City Municipal Band and a troop of Boy Scouts, Santa swung around the business district from the city hall this year, instead of appearing miraculously from nowhere as in the past. He and his helpers, dressed in bright red coats and colored caps, left the city hall at 7:10 and arrived within a few minutes on Broadway, where, by means of a loudspeaker, he spoke to the crowd.

"My, I'm glad to be here," he told the youngsters, "and I hope this will be the best Christmas you ever had."

All the 2500 boxes of candy which had been packed were distributed to the children who crowded past the truck, and Santa took scores of orders for dolls, trains, guns, bicycles and dozens of other items desired by youngsters this year.

As always, the party was put on by the Merchants Committee of the Redwood City Chamber of Commerce, headed by H. C. Mitchell. Bruce M. Knox, chairman of the party committee, manned the microphone to announce the arrival of St. Nick and introduce him.

Following the party, many of those attending "window shopped" and in some cases, where stores were open, made Christmas purchases.

Navy Calls C. B. Currie; Hoffman Heads Kiwanis

Michael J. Hoffman was elected president of the Redwood City Kiwanis Club for 1942 at a special meeting of the directors held in the home of Cuthbert B. Currie, who had previously been chosen president.

Currie resigned because he was notified Monday of a call to

CUTHBERT B. CURRIE
(Photo by Murray Studio)

active duty in the United States Navy, and while he will remain as a member and director of the local club, he said that he could not accept the responsibility of club leadership in the present emergency.

Hoffman had previously been elected vice-president for the coming year. Martin J. Flynn was named in his place. A. H. Sagehorn will remain as secretary-treasurer.

The meeting was in charge of Carl E. Ward, who will retire as president January 7. A special guest was William Botkin, lieutenant-governor of this Kiwanis district.

Currie announced that his law office will remain open as usual, in charge of Wilbur C. Woodhams of Redwood City, who recently passed his state bar examinations and who has been working in Currie's office since June.

Knights of Columbus Plan New Year's Party

Plans for a New Year's Eve dinner dance are being made by San Mateo Council 1346, Knights of Columbus.

The informal affair, for members and friends, will be held at Benjamin Franklin Hotel, San Mateo. Clem Kennedy and his orchestra will play. Entertainment will be provided.

Dinner will be served from 8 p.m. till midnight. Dancing will be from 9 p.m. to 1 a.m. Tickets are $2.50 each.

SERVE YOUR COUNTRY
★ protect your future ★
GET IN THE NAVY NOW!

America needs volunteers to keep the light of liberty burning . . . to safeguard our American shores . . . to man our new two-ocean Navy.

THE United States is now building the most powerful Navy the world has ever seen. But it takes more than ships and planes to patrol our shores, safeguard our liberty, protect millions of American homes and families. It takes *men*! *Volunteers*!

Every new battleship, new cruiser, new destroyer is just so much steel and iron until a crew of trained men—mechanics, electricians, radiomen, signalmen, carpenters and other specialists—goes aboard.

That is why the U. S. Navy may train you to be an expert in any one of forty-five modern trades and professions. You will get regular Navy pay while you are learning. And it is possible for you to be earning as much as $126.00 a month before your first enlistment is completed.

Right now in the Navy young Americans have a double opportunity to serve their country while building their own security and independence at the same time.

Grow with the new, greater Navy

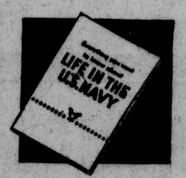
The Navy wants men to learn, to advance, to get bigger pay, to qualify for the positions of responsibility which must be filled as our naval forces are expanded. It is a real opportunity for every young man—one well worth thinking about. There is a place for *you* in America's new Navy.

If you have a trade now or would like to learn one, why not get the full facts about Navy opportunities and training today!

LOOK WHAT THE U. S. NAVY AND NAVAL RESERVE OFFER YOU

FREE TRAINING worth $1500. 45 trades and vocations to choose from.
GOOD PAY with regular increases. You may earn up to $126 a month.
EACH YEAR you are entitled to a generous vacation period with full pay.
GOOD FOOD and plenty of it.
FREE CLOTHING. A complete outfit of clothing when you first enlist. (Over $100 worth.)
FREE MEDICAL CARE, regular dental attention.
FINEST SPORTS and entertainment.
TRAVEL, ADVENTURE, THRILLS—You can't beat the Navy for them!
BECOME AN OFFICER. Many can work for an appointment to the Naval Academy or the Annapolis of the Air at Pensacola.
FUTURE SUCCESS. It's easy for Navy-trained men to get good-paying jobs in civil life.
LIBERAL RETIREMENT-PAY for regular Navy men.

Get this FREE BOOKLET



Mail coupon for your free copy of "Life in the U. S. Navy." 24 illustrated pages. Tells pay, promotions, and vacations you can expect . . . how you can retire on a life income. Describes how you can learn any of 45 big-pay trades from aviation to radio . . . how many may become officers. 27 scenes from Navy life showing games you may play, exciting ports you may visit. Tells enlistment requirements and where to apply. If you are between 17 and 31 (no high school required), get this free book now. No obligation. Ask the Navy Editor of this paper for a copy. Or telephone him. Or mail him the coupon. You can paste it on a penny postal card.

WEAR THIS BADGE OF HONOR! If after reading the free booklet you decide to apply for a place in the Navy, you will receive this smart lapel-emblem. It is a badge of honor you will be proud to wear.

Tear out and take or send this coupon to the Navy Editor of this newspaper Es

Without obligation on my part whatsoever, please send me free booklet, "Life in the Navy," giving full details about the opportunities for men in the Navy or Naval Reserve.

*Name*_____ *Age*_____

*Address*_____

*Town*_____ *State*_____

Are you considering joining a military service? WHY NOT CHOOSE THE NAVAL RESERVE!

Don't wait. Choose the Naval Reserve *now*. The Secretary of the Navy has announced: "All men now enlisting in the Naval Reserve will be retained on active Navy duty throughout the period of the national emergency, but they will be released to inactive duty as soon after the emergency as their services can be spared, regardless of the length of time remaining in their enlistment."

Remember—the regular Navy and Naval Reserve offer you the same travel, training, promotions, pay increases. Physical requirements in the Naval Reserve are more liberal. Find out all about the Naval Reserve. Send in the coupon now!
